Funnel cake is a real crowd pleaser, and high profit margins of funnel cake make it a real pleaser for your bottom line too. Keep your customers happy and your profits flowing with this funnel cake fryer from Concession Land. This funnel cake fryer has a 25-pound oil capacity and can cook three 6-inch or two 8-inch funnel cakes at the same time so you can keep up with demand. An adjustable thermostat up to 370°F gives you precise control over cooking, and a power and warming indicator light let you see when the fryer is ready to be used.

This funnel cake fryer has a hinged cover to help protect it when stored or transported. During use, the cover flips open and converts into a drip tray to allow excess oil to drain from the funnel cake. An oil drain valve at the base of this fryer allows you to safely and efficiently dispose of oil.
