- Comes in silver and black

HD-Series Heat Lamps

Keep your prepared menu items warm and presentable with freestanding, Dual Heat Lamp Food Warmers from CULITEK. Constructed of heavy-duty aluminum to withstand the daily demands of a busy foodservice kitchen. Perfect for fast food environments, food court restaurants, diners, cafés, and other foodservice operations where dishes are required to be kept warm until everything is ready to be served. The adjustable stand and two 250-watt bulbs allow you to control the heat that goes over your food. Available in silver or black, these food warmers are ETL listed and are backed by a 1 year warranty.

Lamp

- Two clear, R40, 250W infrared bulbs illuminate product being served
- Shatter-resistant heat lamp bulbs help protect against food contamination in case of glass breakage

Base

- Heavy-duty, aluminum construction for added durability
- Rocker switch turns the unit ON/OFF for easy operation
- Stand can be adjusted from 23¹/₈" to 31¹/₄" for complete coverage of food being serving

Electrical

- 120V
- 60 Hz
- 500W
- Single Phase

Model Features

- Silver or black finish to match any décor
- Comes with a NEMA 5-15P plug
