

SafeCLEAN Plus™ liquid ice machine cleaner

NSF® approved cleaning procedure

For use in all Follett® ice and water dispensers and ice machines

Extends the life of the ice machines and improves efficiency

Safe for staff

- Destroys scale without noxious fumes, ruined clothing, or burns
- Can be stored and handled without the concerns associated with other acid-based cleaners

Environmentally responsible

- All natural, non-toxic and biodegradable
- Contains no phosphates
- Safe to pour down drains

Convenient, easy to use

- Concentrated liquid mixes quickly and easily with hot water
- No measuring required; each bottle makes one gallon of solution

Powerful yet equipment-friendly

- Three times the scale dissolving power of ordinary citric acid
- Not harmful to rubber, plastic or metal in Follett ice machines when used in accordance with directions
