### VENTED SLIM JIM® 23 GAL BEIGE

The Rubbermaid Commercial Vented Slim Jim® Container is crafted to make waste management compliance easier and reduce strain on workers. Constructed of high quality, commercial-grade materials, these containers feature 4 venting channels that make removing garbage bags up to 80% easier than traditional straight wall receptacles.

### FEATURES & BENEFITS

- Venting channels make removing liners from the container up to 80% easier, improving productivity and reducing the risk of worker injury.
- 4 bag cinches secure liners around the rim of the container and create quick, knot-free liner changes.
- Robust handles at the base and rim of the container resist tearing and improve control while lifting and emptying.
- Rib-strengthened rim resists crushing while the step design prevents jamming when nested.
- Crafted of the highest quality commercial-grade materials for superior durability.
