CHOOSE SAN

paper towel DISPENSERS

The ADA requires that there be clear floor space for approaching the paper towel dispenser, measuring 30 inches by 48 inches. (4.27.2)

SMART SYSTEM WITH IQ SENSOR™

San Jamar's sensor towel dispenser makes it easy to receive paper quickly and consistently by simply presenting your hand or arm in front of the sensor.

- Choose IQ Sensor or Towel Out mode
- Longest battery life in the industry
- Paper length and delay adjustments
- Infinity® System automatic transfer system eliminates stub roll waste
- Replaceable drive modules

An electronic towel dispenser is an ideal solution in paper delivery because it "does not require tight grasping, pinching, or twisting of the wrist" (4.27.4)

TEAR-N-DRY

The Tear-N-Dry is a completely touchless dispenser that consistently dispenses 10" paper without delay.

- No adjustments needed-just mount and go
- No delay, paper-out presentation
- Infinity® System automatic transfer system eliminates stub roll waste
- Replaceable drive module

For dispensers intended for a side reach approach, the towel dispenser shall be mounted between 9 and 54 inches above the floor and 15 and 48 inches for a forward reach. (4.2.6)

TEAR-N-DRY ESSENCE

The Tear-N-Dry Essence is the smallest touchless dispenser that dispenses 10" paper with no wait. It is the industry's most compact, high capacity electronic dispenser.

- Compact- 25% smaller than other leading electronic dispensers
- Able to dispense widest range of paper including 100% recycled paper
- Industry leading battery life
- No delay, paper-out presentation
- Integrated business card holder for easy reordering

SAVVY ROLL TOWEL®

The Savvy Lever towel dispenser is easy to use and requires less than 5 lbs. of force to dispense the towel, as required by the ADA.

- Easy to use
- Minimal maintenance
- Universal and dispenses any quality of paper
- Infinity® System automatic transfer system eliminates stub roll waste
- Lever handle has been treated with Bio-Pruf® to inhibit bacteria growth

INTEGRA™

The Integra is San Jamar's most compact, manual roll towel dispenser with a hands free alternative dispensing arm.

- Easy to load, easy to use
- Universal and holds all roll paper qualities with any core size; including coreless, solid and centerpull rolls
- Contoured dispensing arm offers a hands-free alternative when you use your wrist, arm, or elbow to dispense paper

San Jamar's roll towel dispensers follow the ADA's guidelines in that they are operable with one hand and do not require more than 5 lbs of force to operate. (4.27.4)

JAMAR

when designing your washroom to comply with the ADA Title III standards for accessible design.

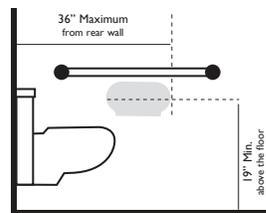

tissue and soap DISPENSERS

San Jamar's tissue dispensers comply with the ADA's standards that "toilet tissue dispensers that control delivery or that do not permit continuous paper flow, shall not be used." (4.16.6)

Toilet tissue dispensers shall be mounted with the center line of the tissue roll at least 19" above the floor. The rolls should be located so their leading edge is just in front of the toilet seat, no more than 36" from the back wall. (4.16.6 Fig.2g(b))

TWIN 9" JBT

The industry leading Twin is one of San Jamar's more versatile jumbo bath tissue dispensers due to its compact size.

- The slider prevents access to the spare roll until the first roll is completely empty; no need for maintenance resetting
- Universal and dispenses any brand or quality of jumbo bath tissue
- Continual availability of paper provided by the Infinity® System, eliminating stub roll waste

A wheelchair requires at least 60" in diameter to make a 180° turn. (fig. 3a)

VERSATWIN® TISSUE

The Versatwin dispenses standard or industrial bath tissue and has a contemporary, space-saving design that will work well in small spaces.

- Accommodates any brand of standard or industrial bath tissue up to 5.5".
- Continual availability of paper provided by the Infinity® System, eliminating stub roll waste

OCEANS® SOAP AND HAND SANITIZER DISPENSERS

These durable dispensers come with a break resistant bottle for dispensing bulk lotion soap or gel hand sanitizer.

- Accommodates bulk or bag-in-box cartridges
- Easy to push paddle
- Includes optional hand sanitizer label for easy identification

Soap dispensers shall be operable with one hand and require no more than 5 pounds of force when full. Wall mounted units shall be located where push buttons are 44" maximum above the floor. (4.27.4)

According to the Americans with Disabilities Act, over 18% of our population are potential consumers with disabilities. Accessibility attracts those with disabilities and San Jamar can help your business comply with ADA Title III washroom requirements.
