*Vulcan Equipment is Built to Last in Unique Environments*

# FEATURES DESIGNED TO ENHANCE STAFF AND INMATE SECURITY

Vulcan specifically designs and builds corrections kitchen equipment to stand up to the demanding conditions of a correctional institution. Our corrections line-up includes features like tamper-proof screws, heavy duty and tack welds, covered controls, heavy duty locks, security screens and more. Plus, all parts are easy to access, repair and replace. It could not be simpler to operate and maintain an entire kitchen of Vulcan equipment.

## OVENS

Security packages available on:  
**VC4 Series Gas Convection Ovens**

- 1 Lockable door hasp
- 2 Screened rear enclosure panel
- 3 Lockable control panel cover
- 4 Tamper-proof screws
