### Statement of Work:

Receive, Deliver, and set in place all equipment listed. Final connections will be made only if existing utilities are correct. No utility modifications or upgrades are quoted in this proposal.

**Included:**

- New equipment must match the location's current specifications: electrical, gas lines, plumbing/drains, and venting.
- Installations completed during normal business hours. Monday – Friday; 8:00am – 5:00pm.
- Receipt of equipment at local installer's office or delivery to customer's facility at a pre-scheduled time.
- Uncrating and set-in place in existing location on the ground level.
- Final hook-ups (within 5 feet) to existing utilities.
- Validation equipment is working properly upon completion of installation.
- Removal of packaging materials and rubbish.

**Optional Service Offered: \***

- Disposal of existing equipment.
  - Disposal of existing equipment is available at an additional flat cost.
- Any utility or mechanical upgrades, stainless steel modifications or upgrades, or floor, wall, or ceiling/roof modifications.
- New shut off valves, pressure regulators, gas hoses, other misc. parts.
- Permits or tax, if applicable.
- Refrigerant recovery fees, if applicable.
- More than one trip to the location.
- Union or prevailing wage labor.
- Venting, stainless steel fabrication / modification, or utility upgrades are not included.
- Hallway or doorway modifications are not included.
- Other existing kitchen equipment that must be moved (and re-installed) in order to set new unit in place.
- Extended travel beyond 100-mile radius of the installing office.

\*Unless quoted above in statement of work

**Additional Items:**

- Payment terms are Net 30.
- If there are any unusual circumstances a site visit is required, and a firm quotation will be provided for all necessary work. Unusual circumstances and exceptions to pricing outlined would include but are not limited to: restricted entryways, obstacles, architectural access restrictions, non-standard installation hours, unusual vehicle restrictions and local ordinances, etc.
- Any quotes are conditioned upon your acceptance of Hobart Service terms and conditions attached and those at [www.hobartservice.com/servicetermsandconditions](http://www.hobartservice.com/servicetermsandconditions)
- Hobart may conduct a site survey at customer's facility, such site surveys are intended to identify problems which can be readily identified through reasonable visual inspection however the customer is solely responsible for the state of their facility and site including electrical and plumbing lines. During a site survey, Hobart is under no obligation to excavate, move equipment, or otherwise disassemble or remove covers, fascia, sconces, or the like. Should problems or defects be identified during the site survey or Hobart's services, customer shall remedy such problems at its own cost before Hobart is required to continue performing the services.
