

TS100 Stopwatch Timer

The TS100 Stopwatch Timer includes an 36" nylon cord (18" loop) that allows it to be carried with you in and out of the kitchen. The TS100 has 3 function buttons: minutes, seconds and start/stop. It is programmable up to 99 minutes and 59 seconds and the timer memory feature allows you to recall the last set time.

The TS100's small, ergonomic shape makes it easy to use in all kitchen environments
