PR309 HANGING DIAL SCALE

ECONOMICAL VERSATILE, CONVENIENT

The Hobart Hanging Dial Scale is designed for easy use by clerks and customers. It is extremely fast, easy to read, load and unload.

STANDARD FEATURES:

- **Weighing Mechanism:** Full temperature compensating mechanism assures stability in environment changes.
- **Double Face Dials:** Dual face charts permit customer and clerk to read the scale from both sides.
- **Dampeners:** Two automatic dampeners. Reduces indicator oscillations for quick reading.
- **Housing:** Attractive chrome finished head makes the scale easy to clean.
- **Pan:** Durable stainless steel pan; removable for easy unloading and cleaning.
- **Charts:** See illustration on reverse side.
- **Meets Weights and Measures H-44, Class IV requirements.**
- **Shipping Weight:** 26 lb.

For speed, accuracy and dependability for your customers and your employees, install Hobart Model PR309 Hanging Scales.
