(*)This size condenser unit is installed on this model.

(**) This size condenser unit is RECOMMENDED for this model. Consult a competent refrigeration mechanic to determine the appropriate size for your specific application. The appropriate condenser size will vary depending on length of run, indoor/outdoor use, etc.

Only Marc offers these kind of features STANDARD!!!!

- ▶ **Your Choice of Decor Matched Exteriors, FREE!!!**
You can't name a color that is not available: brilliant blue, green marble, honey maple, black.... Marc offers hundreds of decor matching exterior panels at no extra cost! Call us with your choice. We'll match it from our enormous collection of finishes, FREE!!!
- ▶ **Quality Construction Insures Dependable Service**
Mirror finish, stainless steel trim beautifully accents the decor matched exterior panels. A bright white aluminum interior provides for maximum light reflection for the highest visibility. The stainless steel bottom pan, along with heavy gauge steel frame, insures years of dependable, rust resistant service.
- ▶ **High Visibility Merchandising Features**
The triple pane, thermoglass front is perfectly angled for the least amount of glare for optimum display. Full length lighting offers exceptional merchandising opportunities. In addition to our broad full deck, two mezzanine shelves are included to maximize the product display area. The lower shelf has built-in fluorescents for maximum product lighting.
- ▶ **Rigid Insulation Seals in Cold Temperature**
Rigid fiberglass insulation supplies excellent protection against ambient temperature incursion. It is further sealed to insure that there is no moisture infiltration.
- ▶ **Gravity Coil Refrigeration for Proven Performance**
The heavy duty, gravity fin-coil refrigeration system insures uniform product cooling without the presence of a harsh blower that keeps the product from drying out. The lower storage area has its own gravity coil. Each unit is proven reliable in all climates and is factory tested prior to shipping.

We reserve the right to change the specifications without notice.
(+) Extreme high humidity conditions may require direct drains on S/C models.
