

Warranty

Precision Multiple Controls, Inc. products are guaranteed to be free from defects in material and workmanship for a period of one year (or longer – warranty periods listed below) from the date of shipment. Precision will replace, without charge, any unit which fails because of defective workmanship or materials during the guarantee period and which is returned to Precision, transportation prepaid. The guarantee does not apply to (a) damage caused by accident, units struck by lightning, abuse or mishandling, dropping; (b) units which have been subject to unauthorized repair, opened, taken apart; (c) units not used in accordance with directions, such as on an incorrect power supply.

Precision is not responsible for any other loss or damage which may arise through use of this product. The guarantee expressly does not include any other costs such as the cost of removal of defective parts, installation, labor or consequential damages of any kind. Precision Multiple Controls assumes no responsibility for proper selection and installation of its products.

The foregoing is in lieu of all other guarantees expressed, implied, or statutory, and Precision Multiple Controls neither assumes nor authorizes any person to assume for it any other obligation or liability in connection with said products.
