## FLEX™ DISPENSER 500 ML, BLACK

The FLeX™ Dispenser is a manual wall-mounted system featuring a revolutionary design that increases your facility's efficiency by using two different soaps, liquid or foam, with the purchase of one single dispenser. Small and large dispensers offer adjustable dose sizes for flexibility in your facility. Designed with an antimicrobial push bar to prevent the growth of bacteria and help maintain a sanitary washroom experience.

## FEATURES & BENEFITS

- Highest yield of hand washes—up to 3,250 per refill
- Accurate, adjustable, on-unit dose meter for effective portion control (0.4, 0.65, 1.0 mL target dosage)
- Superior “clean look” styling improves washroom aesthetics
- Two sizes to meet any capacity, space, or installation requirement
- Fully ADA compliant — operation, force, and depth
- Antimicrobial push bar features a specially-treated coating to help reduce the growth of bacteria and germs
- Increases productivity by making replacements easier by working interchangeably with either lotion or foam refills
